

POLAR STAR JOURNAL

My name:

Today's date:

How did you feel? Why?

What and how much have you learned in this session?

What helped you learn successfully in this session?

What previous ideas or concepts have you remembered that relate to what you have learned?

What are your problems of learning in this session?

Write your reflections and conclusions here.

How does what you've learned relate to your life?

**How will you solve the problem(s)?
What will you do in the future?**

POLAR STAR JOURNAL

My name:

Today's date:

What was the most important thing you learned in this session?

What helped you learn successfully in this session?

**How did you feel during the session?
Why?**

What previous ideas or concepts have you remembered that relate to what you have learned?

Did you have any difficulties in this session?

Write your reflections and conclusions here.

How does what you've learned relate to your life?

**How will you solve the problem(s)?
What will you do in the future?**

Science as a whole

What is the bigger picture behind the concept you learned?

How does the activity relate to the different STEAM areas?

Which area do you think has been worked on in depth?

POLAR STAR INSPIRATION HIVE - STUDENTS
